

202, 303 69 Avenue Northwest, Edmonton, Alberta, T6P 0C2

Dear School Staff,

My name is Erik Turner, and I am the Technical Advisor for the Greater Edmonton Lacrosse Council. I am writing to offer you an exciting opportunity for your school to participate in our school program. The purpose of this program is to promote physical literacy in students through participation in a new sport, increase awareness about lacrosse, Canada's National Sport of Summer, and its history within Canadian culture, and discuss opportunities to participate in lacrosse within the Greater Edmonton Lacrosse Council's ten member clubs.

We know that many school's staff may not possess sufficient knowledge of the game, nor the equipment required to instruct lacrosse within school physical education classes. With this in mind, we can provide you with qualified instructors and equipment for no charge. All that we ask is the opportunity to display promotional info within your school, in newsletters, and on the school website.

This program is being offered on a first come, first served basis. 1 hour time slots are preferred for best student experience, but we are able to accommodate based on your school timetable. We would be really excited to come and spend the day at your school.

If you would like further information on this program please contact me via email at gelcta@telus.net. For more info on the Greater Edmonton Lacrosse Council access the website at gelc.ab.ca, or contact our office at edmlax@telus.net.

Sincerely,

Erik Turner
GELC Technical Advisor
